EDUCATION

- **Bachelor's in information technology**

L.D college Of Engineering

2021 - *pursuing*

Percentage: 75

- **Higher Secondary Education**

Shree S.V shah Vidhyavihar, Mehsana

2019 - 2021

Percentage: 90

- **Secondary Education**

Shree Patel Vidhyalaya, Mehsana

2018 - 2019

Percentage: 89

EXPERIENCE

- **LD college of engineering**

Web Developer

MAY, 2024 - Present

An internship under HOD(dr. Hiteishi Diwanji mam) of information technology department (ld college of engineering) to buiid online student portal for LD college of engineering.

HOBBIES

- Travelling
- Cricket
- Problem Solving

AREA OF INTEREST

- Web Development
- Financial markets
- Cricket

PROJECT

- **Jamconnect**

link: <https://github.com/Deeppatel8758/Jamconnect.git>

Developed a location-based web app using PHP and MySQL, providing users with suggestions on nearby government facilities like public gardens, sports complexes, historical monuments, public toilets, schools, Aanganwadis, and health centers. The app allows users to book appointments or tickets, view visit charges, and access timing information, enhancing convenience and accessibility to local services.

- **Compilex**

link: <https://github.com/Deeppatel8758/compileX.git>

Developed a code compiler using simple HTML and Node.js for C, C++, Java, and Python, utilizing the Compilex Node package to compile code locally and display output on the web. This project demonstrates my ability to create efficient and user-friendly web applications, integrating backend processes with a seamless frontend interface.

- **LDCE Student Portal**

Developed a comprehensive Student Portal using Node.js, React.js, and MySQL, featuring dynamic student management, automated document issuance (e.g., Bonafide and Character Certificates), This project highlights my skills in creating secure, efficient, and user-friendly web applications with modern technologies(Team PROJECT)

SKILLS

- Frontend Development : HTML , CSS , React JS
- Backend Development : PHP , Node Js , Java script
- Programing Languages : C, C++, basic java
- Database : Mongo Db, My-Sql Database
- Other Development Tools : github, Docker
- Data structures and algorithms

ACHIEVEMENTS

- SSIP Hackathon 2022 Grand Finalists
- SSIP Hackathon 2023 Grand Finalists
- SIH Hackathon 2023 Participant
- Teach chairperson (BOD) at rotaract club of LD College
